

Dear Investment Community,

Garanti Bank won the “Corporate Transparency” award at the first Transparency Awards by TI in Turkey!

Garanti Bank won the “Corporate Transparency” award by Transparency International – TI, the leading global non-governmental organization confronting corruption, at the “Transparency Awards” that was organized for the first time in Turkey. The award in the category of corporate transparency in Turkey was given to Garanti with its Investor Relations Web Site and iPad Application, that play a crucial role in providing proactive, transparent and consistent information to all stakeholders. Transparency Awards were presented by the President of Transparency International–Turkey Ms. Oya Ozarslan at the ceremony on the evening of Wednesday December 9th at the Four Season`s Hotel Istanbul.

Commenting on the development, CEO of Garanti Bank Mr. Fuat Erbil said “We aim to create sustainable value for all our stakeholders. As we move forward in our path with trust, integrity, accountability and transparency, we act with full responsibility to our stakeholders. For us, transparency is beyond an obligation, we place it at the center of our communications with all stakeholders. Investor Relations Website and iPad App play a crucial role in our transparent communication. It is through these platforms that we share our irrevocable, policies, principles and efforts in the areas of corporate governance and sustainability with all counterparties. We are truly honored for the recognition and the award by Transparency International, one of the leading global non-governmental organizations.”

Garanti Bank Investor Relations (IR) website, available in Turkish and English, allows uninterrupted access to comprehensive and updated information while enabling outreach for questions. Garanti IR iPad app differentiates itself with the notification system sending alerts upon new content addition and the library section with a rich offline content. Through the website and the app users can reach; disclosures, presentations, interactive stock chart analysis, investor calendar, financial results’ teleconference audio recordings and management interviews.

Transparency International

TI –Turkey shares the principles and visions of Transparency International (TI). TI–Turkey is the national representative of TI, the global coalition against corruption which has national chapters in more than 100 countries. TI–Turkey (Seffaflik Dernegi) was founded in 2008 by voluntary efforts and aims to set the rule of transparency, integrity and accountability principles in all segments of the society for the democratic, social and economic development of the country. TI–Turkey perceives corruption as a major source of social, economic and political crises and an obstacle on the way of economic development, rule of law, competitiveness and proper usage of natural resources.
