## Garanti Bank was once again honored with "Etika 2015 Turkey Ethics Awards"

Garanti Bank was once again honored with "Etika 2015 Turkey's Most Ethical Companies" Award by Turkish Ethical Values Association (EDMER) which was founded upon the principles of creating, developing and promoting ethical awareness in Turkey. Garanti was awarded for complying with the benchmarks defined by the association in the areas of Reputation Management, Corporate Governance, Corporate Social Responsibility, Leadership, Creativity, Compliance Management with Law and Regulations.

Commenting on the subject, Garanti Bank CEO Fuat Erbil said: For Garanti Bank, principles of ethics and integrity go beyond compliance with the law. The key to Garanti's success lies in our stakeholders' trust. With our transparent, clear and responsible approach, we move forward with the aim of creating value. We are glad that our hard work in this area was awarded by EDMER for two consecutive years. As Garanti, we think establishing and developing ethical awareness in Turkey is of utmost importance. We believe EDMER's work sets an example for all executives and companies in our country.
